

“empowering tomorrow’s women”

Every young woman who is part of this college is also an individual with her own hopes and dreams, talents and gifts.

Everyone at Tauranga Girls' College works to ensure that she realises her potential as she prepares herself for the world of tomorrow.

Tauranga Girls' College creates leaders in all aspects of New Zealand society.

Thursday 10 August 2017 5.45pm

Choosing a girls' school... because at a girls' school, girls come first.

We extend a warm invitation to you to visit our College at our annual Open Evening.

This is an opportunity to see our school, and to meet our staff and senior students, as well as to explore what we can offer your daughter.

The evening begins with a welcome in the school hall, followed by a tour of the College campus and information on all the opportunities your daughter will enjoy when she enrolls.

We look forward to sharing with you what it is that makes Tauranga Girls' College a special place for your daughter's education.

Monday 24 July

Enrolment packs issued to students.

Thursday 10 August
